Installation PC

Download link: <u>http://www.prosanity.com/CPPv5\_PC/CPlotProv5.zip</u>

Installation Steps

- 1. Click on link and the zip file downloads to your download folder.
- 2. Double click on the downloaded file, if you see it in the Browser, or go to the Downloads folder and double click on CPlotProv5.zip.

3. The Compressed Folder tools window opens. Double click the Extract all button.

4. A Select Destination window opens. Press the Browse button and navigate to a location to place the program. The C Drive or the Documents folder work well Once the destination is selected, another window opens showing the destination. Select Show extracted files when complete. Click Extract. It takes a couple minutes.
