Installation Mac

Download link: http://www.prosanity.com/MTProv3_OSX/MTProv3_4.dmg

Installation Steps:

- 1. Click on the download link and it begins to download to your default download folder.
- 2. Open the Download folder and double click to open the MTProv3.dmg. The dmg window opens.
- 3. Drag the MTProv3_4 folder over the Applications icon that you see in the same window. Close the current window and drag the MTProv3.dmg file to the trash.

4. Now open the Applications folder then the MTProv3_4 folder and drag the MTProv3_4 icon to the dock. Now you can open the program from the dock.
